

# dogtober

Dogtober event) on \_\_\_\_\_ (date) at \_\_\_\_\_ (time)

Dogtober is the perfect opportunity for your staff to have some fun and generate a great team spirit whilst raising funds and awareness for a great cause. The money raised will give people in wheelchairs all around Australia hope that they too, one day, may live an independent and safe life with an Assistance Dog. It takes two years and \$26,000 to train each and every dog and the demand for our services is more than we can fund. With your help we can help more and more people.

Assistance Dogs Australia receives no ongoing funding and we therefore we ask that you consider matching your colleagues' fundraising efforts. Your contribution will make a huge difference to someone's life.

Thank you in advance to your organization and your colleagues support of Dogtober and Assistance Dogs Australia.

With thanks,  
Assistance Dogs Australia

Yes, I agree that \_\_\_\_\_ (company) will match the funds raised
